

Thank-you for your support!

The Maxwell Fernie Trust relies solely on the generosity of donors such as yourself to remain viable.

To show our appreciation we are pleased to offer as our gift to you, this limited edition, individually-numbered CD, *Tenebrae Responsories 1585*, with every donation over \$30.

Tenebrae Responsories 1585 consists of 18 sung Responses for Holy Week, composed in 1585 by Tomás Louis De Victoria and performed by the Schola Polyphonica of Wellington – the choir formed in 1967 specifically to work under the direction of Maxwell Fernie.

This CD has been digitally remastered from the original 1981 LP recording made at St Mary of the Angels, Wellington and is not available for retail sale, making this thank-you as unique as it is special.
